

Athletic Trainers in the
Physician Practice Society

**Athletic Trainers in the Physician Practice Society
Inaugural Meeting and Conference**

**St. Luke's Boise Medical Center
Boise, ID**

February 16th – 17th 2018

Learning Objectives:

- Participants will be able to describe the various roles an athletic trainer can have in a physician practice
- Participants will be able to identify how patient outcomes influence a physician practice and how athletic trainers have an impact on outcome scores
- Participants will be able to formulate strategies on how to overcome common barriers in a physician practice
- Participants will be able to demonstrate how an athletic trainer can track value in a physician practice
